1. It is with great pleasure that I convey my sincere appreciation for the superior food service you have provided to U.S. Naval Hospital, Guam from October 2003 to June 2004.

2. Your professionalism and initiative in managing the Galley is especially noteworthy. You increased customer satisfaction by implementing an attractive calorie conscious menu, improved sanitation measures and provided excellent customer friendly service. Additionally, you improved the aesthetics of the galley by providing an original mural on the wall and worked with volunteers who participated in a Self-help Project to paint the galley.

3. Your exceptional professionalism and initiative reflected great credit upon your staff and you. Thank you for a job "Well Done."
