To the Team at GFS Group,

On behalf of the Joint Guam Program Office, I would like to extend a my personal thanks for your on-going support of the military presence on Guam and our current efforts to expand that presence with the proposed relocation of the III Marine Expeditionary Force from Okinawa to Guam. Your support in the planning and execution of the Guam Industry Forum Series on behalf of NAVFAC and JGPO was very professional and innovative. It certainly helped to set the stage for building local support from both local and off-island defense contractors, emerging small businesses and a myriad of interested parties and individuals who wish to participate in Guam's future military growth.

Once again thank you for a fabulous job and I wish you all the very best in your future endeavors.

Sincerely,

A handwritten signature in black ink, appearing to read "John Jackson".
